**GENERAL INFORMATION:** Wall outlets or columns are not a part of the rental space and are not to be used. Charges for electrical service listed, do not include repair of outside equipment or any control wiring. Service does include power to one point and one connection. Motors of one-half horsepower or more must be equipped with a safety switch. If 24-hour service is required, please describe your requirements and our staff will furnish a quote. PSAV and/or Marriott reserves the right to refuse connections where wiring constitutes a safety or fire hazard. All materials and equipment furnished by PSAV and/or Marriott will remain the property of PSAV and/or Marriott. Prices subject to change without notice.

**ELECTRICAL RATE SCHEDULE:** For request of more than 4 outlets, you must request a heavy duty service and specify the number of outlets required. Four outlets constitutes a 20 AMP circuit. NOTE: Please include a diagram of floodlight and outlet locations. Cable for dimmer boards or special outlets must be supplied by the exhibitor/outside co.

**SPECIAL SERVICE UNITS:** In those instances where your needs cannot be classified under either Standard Service or Heavy Duty Service, please describe your requirements. This work will be done and charged on a time and material basis.
